Make way for the new laundry room with more space and high-tech amenities than ever before

WATCH 'N' WEAR
Wilsonart® countertops and cherry-stained cabinetry add to the French country flair of this updated laundry room. **OPPOSITE:** The bay window offers a stunning view of the garden; floral design by Fine Art Flowers, Moorestown; accessories from Interior Works, Philadelphia.

T

HIRTEEN-YEAR-OLD ALLISON HAS FOUND A RETREAT IN THE SPRAWLING 8,000-square-foot Moorestown, New Jersey, home she shares with her parents and two older brothers. It's outfitted in the bright blues and yellows of French country, it's flooded with natural light, and it has lots of places to spend an afternoon.

Allison loves to curl up and daydream on the comfy window seat beneath the big bay window that overlooks a garden ablaze with climbing clematis and roses. Sometimes she snuggles into the pillow-laden corner of a painted bench, enjoying an ice-

cream cone and watching *The Powerpuff*
